### Notes to Instructors

#### Evaluation Policy

Students enrolled in ENF 3 do not receive traditional grades of A – F. Instead, they receive one of the following grades at the end of the semester. Students must successfully complete both ENF 3 and English 111.

<b>S</b>	When a grade of S is awarded to a student, he/she has successfully completed both ENF 3 and English 111.
<b>R</b>	When a grade of R is awarded to a student, the student must re-enroll in both ENF 3 and English 111. The grade of R indicates that a student has made satisfactory progress toward achieving the goals of both courses but still needs more time and practice to demonstrate proficiency for both ENF 3 and English 111 course credit.
<b>U</b>	When a grade of U is assigned, he/she has either failed to attend class regularly or made little effort to complete the required assignments. A student who receives a U must re-enroll in both ENF 3 and English 111.
