

Revised: Fall 2016

HIS 111 World Civilization I

COURSE OUTLINE

Prerequisites: None

Course Description:

Surveys Asian, African, Latin American, and European civilizations from the ancient period to the present. Part I of II.

This course introduces world history from the dawn of civilization to the modern era. Topics include African, Asian, European, American, and Greco-Roman civilizations and Christian, Islamic and Byzantine cultures. Students will analyze significant political, socioeconomic, and cultural developments in pre-modern world civilizations.

Students will be introduced to useful skills for historical analysis and interpretation. Students will strengthen skills in interdisciplinary studies and global awareness.

Students are not required to complete this course prior to taking HIS 112 (World Civilization II).

Semester Credits: 3 Lecture Hours: 3

HIS 111: World Civilization I

Course Outcomes:

At the completion of this course, the student should be able to:

- Recognize the origins of civilization from their roots in Egypt, Mesopotamia, the Fertile Crescent and Near East and evaluate the importance of the early foundations on later development.
- Trace the origins of several Asian civilizations from their roots in India and China.
- Compare and contrast the political and social systems, economics, and religion of the various Greek city-states and evaluate their impact on civilization.
- Examine the social, political, economic, religious, and military institutions of the Roman Republic and Roman Empire and evaluate their impact on civilization.
- Display comprehensive knowledge of the development of the early Christian church and explain its influence on civilization.
- Trace the development of Islam and explain its influence on civilization.
- Examine the relationship between the basic social, political, economic, military, and religious institutions of early medieval Europe and determine their impact on civilization.
- Analyze Africa before the European intrusion.
- Analyze the Americas before the European intrusion.
- Evaluate the influence of the Renaissance and Reformation on civilization.
- Identify the age of exploration and analyze its impact on the Americas, Africa, and Asia.
