## Notes to Instructors

### Evaluation Policy

Students enrolled in ENF 2 do not receive traditional grades of A – F. Instead, they receive one of the following grades at the end of the semester:

<b>S</b>	When a grade of S is awarded to a student, an additional field will appear on the grade roster that will require a recommendation for either ENF 3/English 111 or English 111.
<b>R</b>	When a grade of R is awarded to a student, the student must re-enroll in ENF 2. The grade of R indicates that a student has made satisfactory progress toward achieving the goals of the course but still needs more time and practice to demonstrate proficiency for ENF 3/English 111 or English 111.
<b>U</b>	When a grade of U is assigned, he/she has either failed to attend class regularly or made little effort to complete the required assignments. A student who receives a U must re-enroll in ENF 2.
