IX. CLASS EXPECTATIONS

Please follow the course agenda for all course work deadlines. No makeup tests will be given unless a legitimate written excuse, i.e. illness or prior notification is provided. Grades will be modified for late or missed assignments.

XI. INCLEMENT WEATHER

In the event of a college closing or cancellation, the program will follow the Virginia Western inclement weather policy.

College inclement weather link:

<http://www.viriniawestern.edu/about/inclementweather.php>

Students should try to take tests/exams before the deadline. In the case of inclement weather which closes the student learning center, the instructor will extend the deadline the number of days that the learning center was closed. In the case of extreme weather, the instructor will work with the student to make suitable arrangements.

XII. MAKE UP/LATE WORK POLICY

Submit assignments ON TIME. As responsible learners, you need to manage your learning schedules and finish all assignments on time. Assignments submitted past the stated due date will be lowered one letter grade per day late. A grade of "0" will be given for any assignment not turned in.

TESTS MUST BE TAKEN ON TIME. Make-up tests will NOT be given unless the student can document an extraordinary circumstance that prevents the taking of the test within the available timeframe. The final exam is comprehensive and will be scheduled during exam week.

XIII. AI USAGE

For the duration of this course, the use of Generative AI in assignments is strictly prohibited. Assignments are opportunities for personal growth, critical thinking, and applying your acquired knowledge. Your individual effort and creativity are essential in demonstrating your understanding of the course material.

Dependence on AI undermines these objectives and compromises the integrity of the learning process. We appreciate your commitment to academic honesty and dedication to upholding this course's principles by refraining from using Generative AI in your assignments.

Please refer to Part 2 in this syllabus module for information regarding Disability Services.
